## BIOGAS PRODUCTION AT ROTTNEROS MILL – WHY?

Investment program with  
increased pulp  
production capacity

New BAT-BREF levels

Anaerobic biological  
treatment gives pay-off  
on investment with  
biogas production

## BIOGAS PRODUCTION AT ROTTNEROS MILL – HOW?

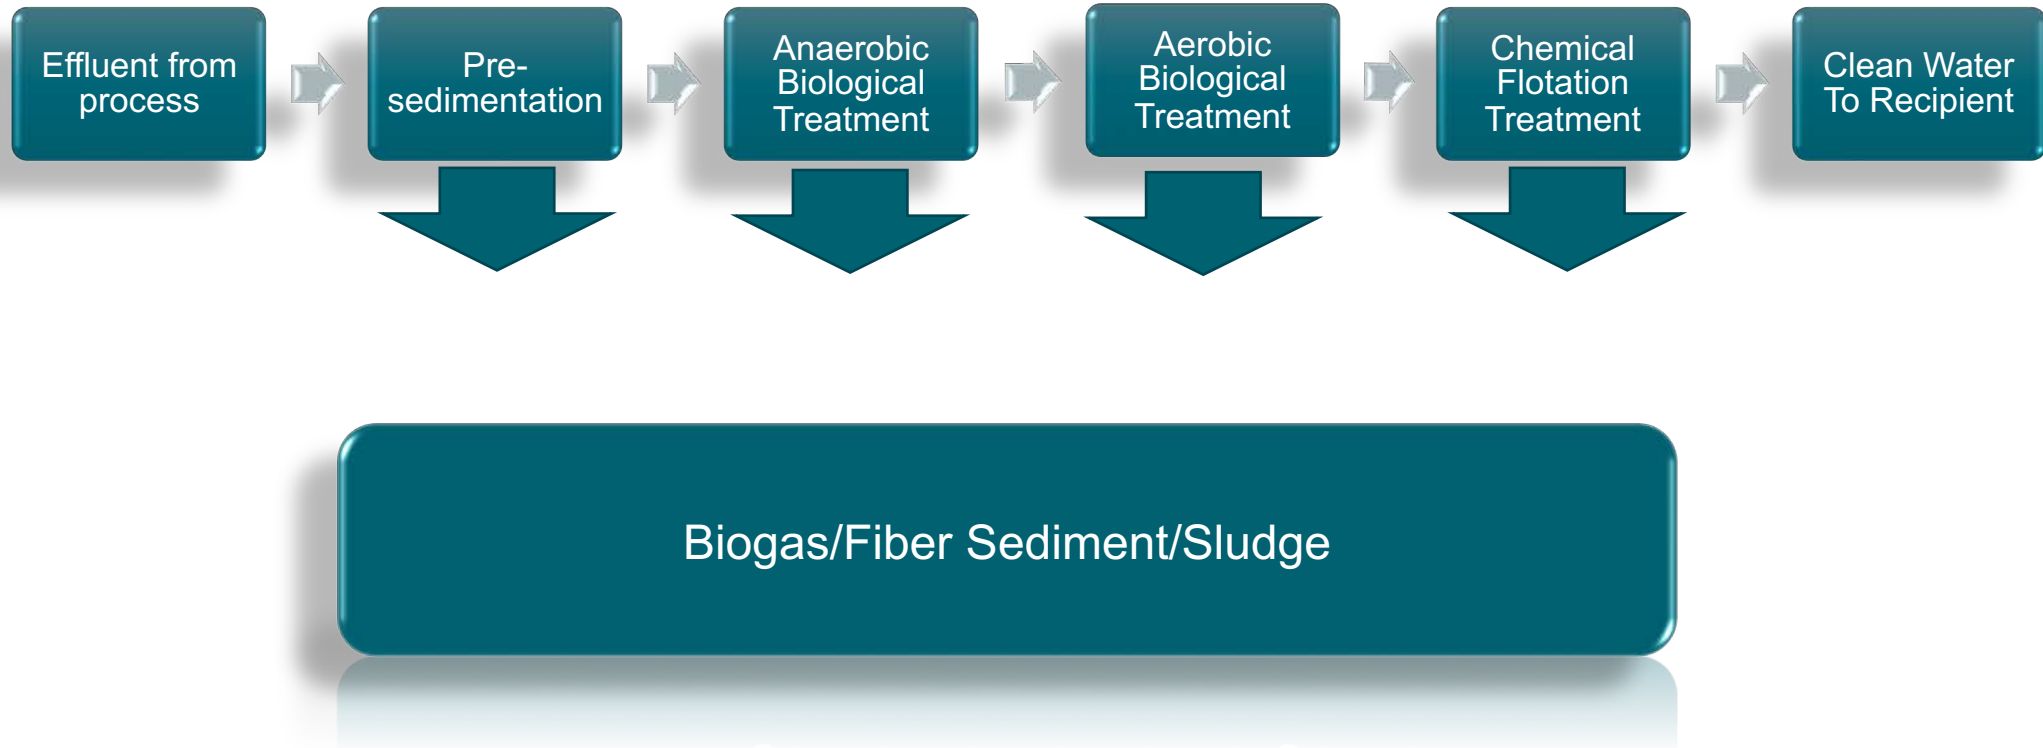

Project 2016 → Start-up 2018

More disturbances in process than estimated  
– both mechanical and process-chemical

Optimizing project ongoing
